## Independent Auditor's Report on Financial Statements

# City of Mukilteo Snohomish County January 1, 2001 through December 31, 2001

Mayor and City Council City of Mukilteo Mukilteo, Washington

We have audited the accompanying general purpose financial statements of the City of Mukilteo, Snohomish County, Washington, as of and for the year ended December 31, 2001. These financial statements are the responsibility of the City's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the City of Mukilteo, as of December 31, 2001, and the results of its operations and the cash flows of its proprietary fund types for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Our audit was performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying Schedule of State and Local Financial Assistance is presented for purposes of additional analysis. This schedule is not a required part of the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and, in our opinion, is fairly presented, in all material respects, in relation to the financial statements taken as a whole. As discussed in Note 1 to the financial statements, the City was required to adopt Governmental Accounting Standards Board Statement 33, Accounting and Financial Reporting for Nonexchange Transactions, effective, January 1, 2001.
